Send a Message  
Lock Student Devices

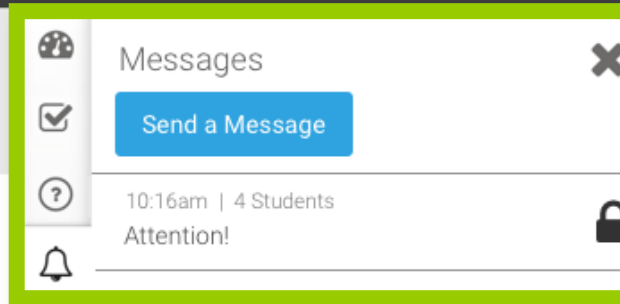

6 of 8 students are monitored

Modify Blocking

[Show students not monitored](#)**Locked Devices** [remove device lock for this group](#)

Thumbnails update every 60 seconds.

Message: Attention

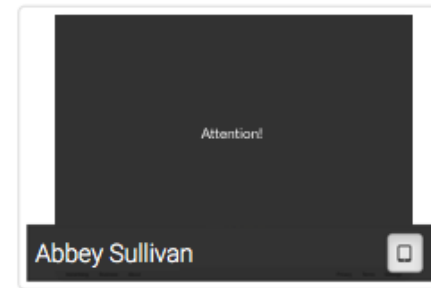

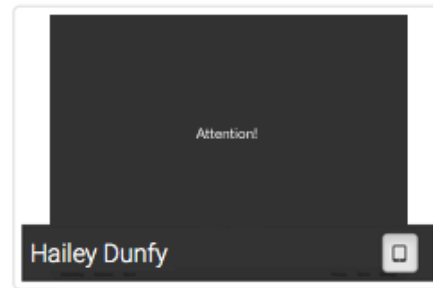

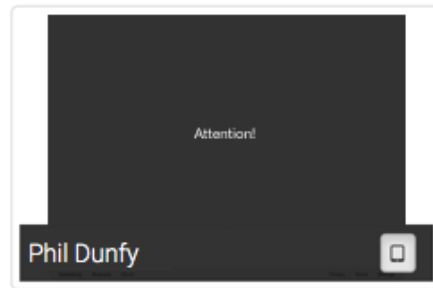

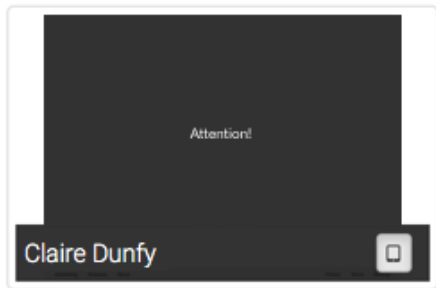

A messages panel on the right side of the screen, highlighted with a green border. It contains a 'Send a Message' button, a timestamp '10:16am | 4 Students', and the message 'Attention!'. A green arrow points to the bell icon at the bottom of the panel.

Send a Message

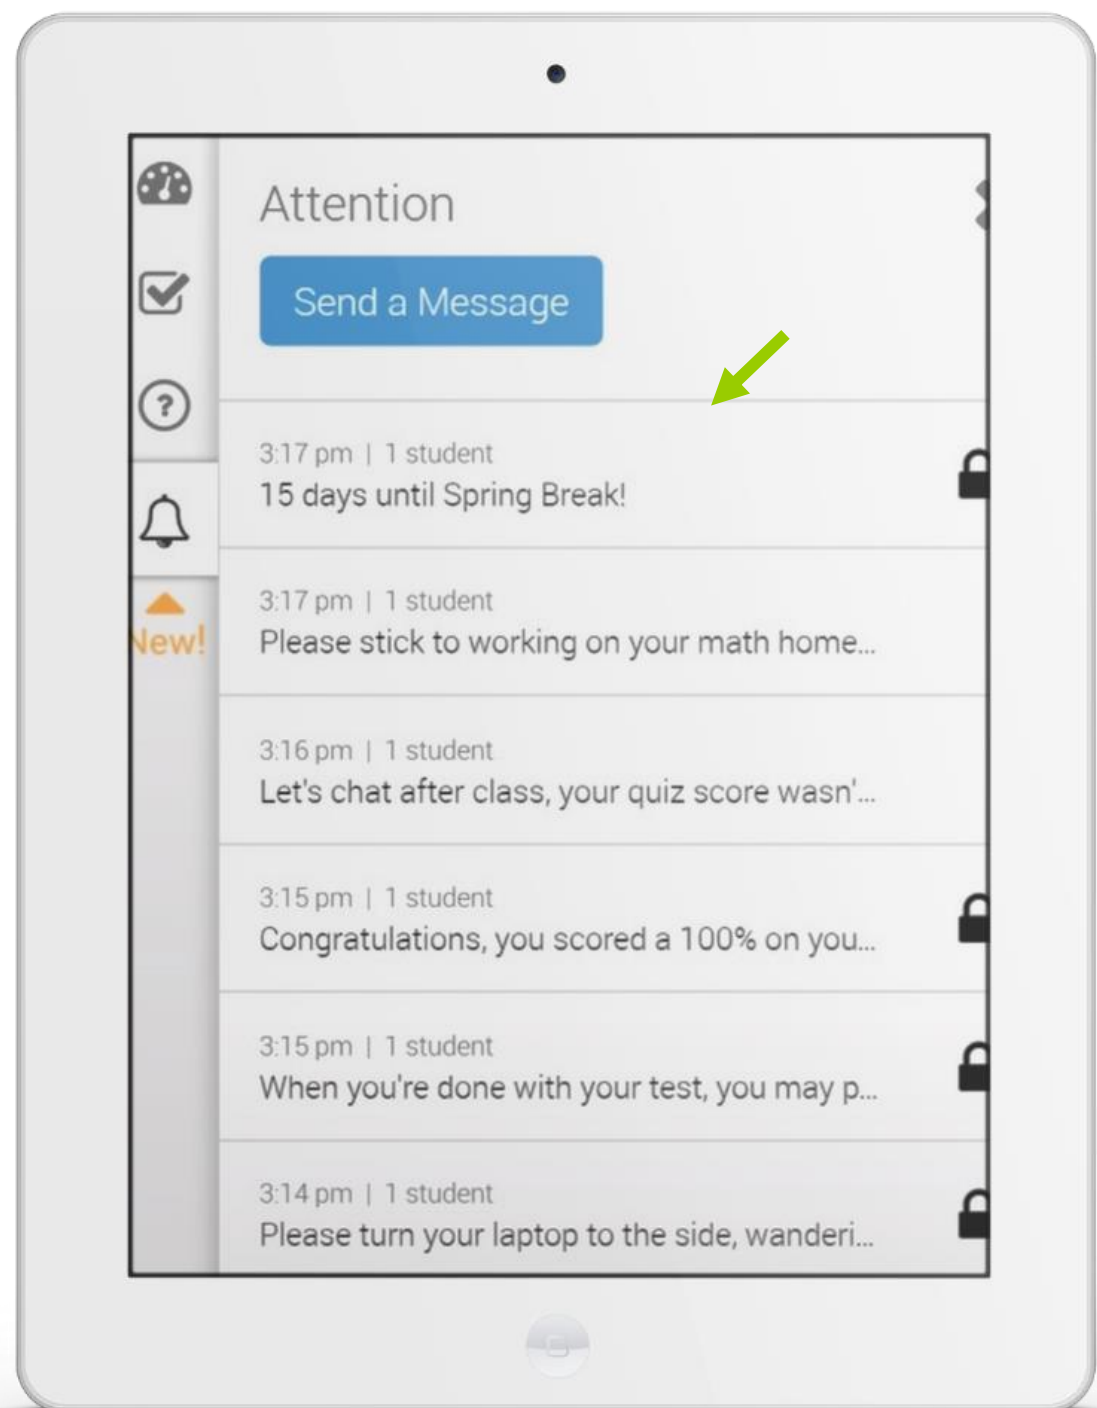

10:16am | 4 Students

Attention!

- ★ Teachers can send a message to students and choose to lock student devices.

Access this feature from the bell icon on the right side of your screen while you are monitoring a class.

★ Teachers always see a list of each message sent during class.

Locked or unlocked messages may be sent to:

- 1 student
- Select students
- Entire class

★ **Tip:** Choose an existing message, or create your own!

★ **Student View:** If you choose to leave devices unlocked, here's how students receive your message.
